

4UB UPRIGHT BIKE

The 4-Series cardio line from Star Trac® is the perfect solution for the hospitality and multi-housing markets. With premium full color flat panel displays, quick select adjustment keys, and optional personal viewing screen, the 4 series provides smaller facilities with the look and performance of a full commercial product.

- Full color flat panel LCD display creates a premium user experience
- Quick Key selects for level allow for one-touch changes on the fly
- Integrated USB port provides charging capability for user devices
- Contact and telemetry heart rate
- Star Trac's popular personal fan for comfort
- Electrical requirements: unit can be operated self-generating or plugged in; PVS option requires 12V/5 Amp power supply
- 40 levels of resistance
- Powder-coated Steel frame

BUILD ON GREATNESS

En **Compañía Fitness**, cuando trabajamos con marcas de fitness para construir nuestra empresa, no nos conformamos con menos de lo mejor. Cuatro marcas icónicas, pioneras en categorías nuevas y cuyas máquinas son las que los socios **reconocen y piden**. Hoy, nos comprometemos a continuar con la tradición que iniciamos hace décadas y que es la excelencia en la que puedes confiar para la construcción de tu empresa.
